RULES AND REGULATIONS

The school's program attempts to develop mind, body, and spirit, and to encourage in its students a sense of responsibility, good judgment, respect for the rights and feelings of others, and personal integrity. We believe that the well-being of the Phillips Academy community depends, above all, upon respect for others, trust in others, and loyalty to the school.

The well-being of the community requires rules, which are essentially guides to conduct, to protect the welfare of the individual and to enable the community to prosper and achieve its purpose. All members of the community are expected to take responsibility for their own action, whether or not they are covered by rules. A member of the community who is unwilling to accept the rules or the principles of the Academy or who jeopardizes the welfare of another has no place in the community.

It is the duty of the Headmaster and Faculty to make the necessary rules, but to do so in ways that encourage the students to make known their feelings and ideas and to take part in the decision-making process. Student-Faculty committees operate in nearly every area, and the Student-Faculty Cooperative makes it possible for all members of the community to discuss matters of concern and to work together to find solutions.

The person most immediately responsible for the welfare and guidance of the student is his Counselor—for the boarding students, the Housemaster. Counselors are concerned with every aspect of a student's performance in school and

should be thought of as a student's first resort in time of uncertainty or trouble. Each student also has a Class Officer, who helps him plan his course of study. Housemasters and Counselors of day students report to the Dean of Students, while Class Officers report to the Dean of the Faculty. The former and his associates have overall responsibility for student affairs, counseling, and discipline; the latter, for maintenance and development of curricular requirements and opportunities.

I. THE ACADEMIC SYSTEM

A. Rating Periods, Grades, and Grading Scale

Academic ratings are held at the middle of the Fall Term and at the end of each of the three terms. Reports of grades are mailed to the parents or guardians of students immediately after the ratings. It is the responsibility of housemasters and other counselors to discuss with their boys their grades and teachers' comments. Parents may expect to receive a comprehensive report from the housemaster or counselor at least twice a year, unless their son is a Senior, in which case they will receive at least one.

A mark for incomplete work (whether passing or not) is bracketed. A grade is asterisked if the work is incomplete because of illness.

The grading scale is

| | |
|----------------|----------------|
| 6 Outstanding | 2 Minimum pass |
| 5 Superior | 1 Failure |
| 4 Good | 0 Low Failure |
| 3 Satisfactory | |

Effort Grades:

The symbol U (unsatisfactory) may be used with any grade to indicate that, in the teacher's opinion, the student is not working hard enough to achieve the results of which he is capable.

The symbol S (satisfactory) may be used also, but only to indicate a change within a term from satisfactory to unsatisfactory, or the opposite—thus, S - U or U - S.

B. The Honor Roll

A student is placed on the Honor Roll if no grade is below 3, if at least half his grades are 5's or 6's, and if he meets the following standard:

| | | | | | |
|---------------|----|----|----|----|----|
| Credit Totals | 10 | 9 | 8 | 7 | 6 |
| Grade Totals | 47 | 42 | 38 | 33 | 28 |

A major course counts two credits; a minor counts one. The grade total is the sum of the products of the course grades and the course credits. Example: If a student is taking 3 major and 2 minor courses, his credit total is 8. If he had a 5 in each major course and a 4 in each minor, his grade total would be 38 and he would have met the standard.

A student on the Honor Roll may have two non-consecutive free days, by arrangement with the Excusing Officer. A student on a free day is not excused from any announced full-period test. On a free day a boy may leave the school limits for purposes approved by the Excusing Officer from 7:00 a.m. to 8:00 p.m. or may remain on campus with no required appointments until 8:00 p.m. One of the free days may be used, by arrange-

ment with the Excusing Officer, to begin a week-end after the last scheduled appointment before lunch on Friday.

C. Scholastic Restrictions and Penalties

The records of students in academic difficulties are reviewed by the Faculty at the middle of the Fall Term and at the end of each term. The Faculty makes a careful distinction between students whose troubles are due to no lack of effort on their part, and whose difficulties are the result of poor effort.

1. A Student in Scholastic Difficulties Whose Effort is Satisfactory

- May have his activities on or off campus limited in order to protect his study time. For example, he may be placed on No Excuse for a period of five weeks. This means that he may not have any excuses which would interfere with class or study hours nor may he have any personal out-of-town permissions.
- May be placed on General Warning as an indication that his situation is precarious and that he may be advised or required to withdraw at the next rating.
- May be advised to withdraw if the Faculty is convinced that his chances of success at Andover are doubtful.
- May be required to withdraw if the Faculty is convinced that he is unable to meet Andover standards.

2. A Student in Scholastic Difficulties as a Result of Poor Effort

- May have his activities on or off campus limited in order to protect his study time. For example, he may be placed on No Excuse for a period of five weeks, ordinarily accompanied by Restriction during the first two weeks, as an indication that the Faculty is dissatisfied with his efforts and results. In addition to the Restriction, he may not have any excuses which would interfere with class or study hours nor may he have any personal out-of-town permissions.
- May be placed on Restriction.
- May be placed on General Warning, ordinarily with No Excuse, as an indication that the Faculty is seriously dissatisfied with his work and effort, and that he may be dismissed at the next rating if there is not marked improvement.
- May be dismissed for poor work due to persistent lack of effort.

In the absence of Winter and Spring mid-term ratings, the committee recommends that the Dean of Students be given the power to remove a student from No Excuse at the end of five weeks with the housemaster's recommendation for such removal.

II. DISCIPLINE

A. The Administration of Discipline

In the end, all meaningful discipline is self-discipline, and the heart of it is self-control and

orderly conduct. Andover tries to support the self-discipline of its students by encouragement and praise for work well done, but also by punishment for lapses in conduct.

The Headmaster and Trustees have delegated the administration of discipline to the Faculty. After counsel from its student advisors, if appropriate, the Faculty Discipline Committee makes the final decision about the punishment of students charged with serious infractions of the rules. A student may appear before the Discipline Committee to discuss his own case. If he so desires, a student may be represented by a faculty member or student of his own choice. It is understood that the boy's headmaster will also be present.

The Headmaster, the Dean of Students, or the Faculty as a whole may act instead of the Discipline Committee.

If a Faculty member himself observes or himself obtains evidence of serious misconduct, he should report it to the Discipline Committee. If a student voluntarily reports serious misconduct of his own or of a fellow student, the Faculty member who receives the information should discuss the matter unofficially with two or more of his colleagues, including one of the deans, to decide what is best for the student and for the school. In extreme cases the matter may be referred to the Discipline Committee, but the purpose of allowing a degree of discretion in the handling of volunteered information is to encourage a student to seek from any Faculty member help for himself

or for another student, and to encourage members of the Faculty to offer such help.

Every member of the Faculty should enforce the rules at all times in all areas of school life. He may reprove a student, mete out minor punishments as he thinks wise, inform the student's counselor or Cluster Chairman; or, in the event of serious misconduct, refer him to the Discipline Committee.

When disagreement arises between a student and a Faculty member about the interpretation of a rule, the student should defer to the judgment of the Faculty member; but he, of course, has the right to discuss the matter with his counselor and/or with one of the deans. In any such disagreement, mutual respect and courtesy should bring about a fair and amicable settlement.

The power to assign punishment for certain violations of the rules is given by the Faculty to certain groups of housemasters who are organized to administer jointly the affairs of a cluster of dormitories.

During the term, a student is under the direct jurisdiction of the school and must comply with all school rules. When off campus, students are always expected to conduct themselves in a responsible manner. Failure to do so may result in disciplinary action.

Each year a Student-Faculty Committee appointed jointly by the Dean of the Faculty and the President of the Student-Faculty Cooperative will review all material contained in the section of this booklet entitled "Rules and Regulations." They

may present recommendations for change, with the opinion of the Discipline Committee on each recommendation, to the Faculty for action.

B. Major Offenses and School Rules

1. Major Offenses

Dishonesty.

Actions dangerous to the health, safety or well-being of other people (e.g. unauthorized possession or use of firearms or explosives, willful violation of fire laws and regulations, the willful infliction of personal injury).

Use, possession, or being under the influence of alcoholic beverages.

Use, possession, or being under the influence of illegal drugs.

Absence from school limits (defined by the map in this book) without permission.

Absence from the dormitory without permission between the dormitory sign-in deadline and 5:00 a.m.

Gambling for money.

Disobedience to a member of the Faculty.

2. School Rules

These are the rules that concern everyone or nearly everyone in the school community. Special rules will be published as necessary for particular areas of school activity.

a. Attendance

All students are required to attend classes, assemblies, Sunday Church services, work program assignments, and athletics.

Lowers and Juniors are required to attend breakfast, except on Saturday and Sunday.

Each student is allowed a total of nine unexcused absences per term from class, Sunday Church, athletics (including Lower and Junior Physical Education), and required breakfast, but no more than five unexcused absences may be taken in any one area. A teacher may allow in advance further absences from his class; a coach may allow in advance further absences from his sport.

All absences and latenesses to class are reported to and recorded by the office of the Dean of Students. An absence is recorded as a "cut"; lateness is recorded as one-half of a cut. Lateness to athletics, breakfast, and Church counts as a full cut. Absences in excess of the quota render the student liable to discipline, as do any absences from assemblies and the work program. It is the responsibility of each student to keep track of his absences and to check his cut record regularly.

b. General Campus Procedures

From 8:00 p.m. until 7:00 a.m. a student must remain on campus (defined by the map in this book), unless he has special permission to leave.

Study hours are daytime hours when classes are going on and the evening hours after 8:00 p.m., except Saturday evenings. During study hours an atmosphere conducive to study should prevail.

On every evening except Saturday, after 8:00 p.m. and unless he has special permission, an underclassman must be in his dormitory, the Library, the Arts and Communications Center, or the Language Laboratory. If he leaves after 8:00 p.m., he must sign out of his dormitory. He must sign in on his return. All students must be in their dormitories by 10:00 p.m.

To visit a student in another dormitory during evening study hours, an underclassman must have the permission of both his housemaster and the housemaster of the boy visited; he must sign in and out of both dormitories.

On Saturday evenings, Juniors must return to their dormitories by 10:00 p.m., Lower Middlers by 10:30 p.m., Upper Middlers and Seniors by 11:30 p.m. unless they have special permission to be out later.

No new student club or organization, including new publications, may be formed without the approval of the Dean of Students.

No one may canvass for school activities or solicit business of any kind in a school building without written permission of the Dean of Students.

In the interest of safety, no snowballing is allowed on town sidewalks, across streets, or in the immediate vicinity of any school building. Golf practice is restricted to Pearson Field south of the varsity football field.

Certain areas on the campus are off limits to students: the backstage area of George Washington Hall, and The Commons, after hours, and others as designated.

Smoking is forbidden to all students, except that a Senior may smoke a pipe in the public rooms of his dormitory, or in other areas designated by the housemaster, and on certain other special occasions as designated.

c. Library

The use of the library is governed by certain regulations intended to preserve for the entire school community the books, facilities, and atmosphere which are essential for both study and recreational reading:

All books taken from the library must be signed for. Reference and reserve books may be used only in the Garver Room and the Copley Wing, except by special permission.

Library books must not be marked or damaged.

Students are asked not to talk or work together in the Garver Room.

Food may not be brought into the library.

d. Dormitory

Dormitory rules are designed to ensure an atmosphere conducive to study and to protect the privacy of students and housemasters. Each dormitory is under the control of its housemaster, who serves as counselor and who is responsible for the welfare of the students and the care of the building. Consideration for the rights of others is of first importance; students should conduct themselves so that the best possible conditions exist for productive study.

Fire regulations, essential for the protection of all, are posted in each dormitory. Students must be familiar with them.

Housekeeping rules will be issued by the housemaster. Students are expected to make their beds and to keep their rooms clean.

Pets are not allowed.

Bed-time Hours are set by agreement among the housemasters of each class or of special dormitory groups.

Guests. Students are responsible for the conduct of their guests. No guest may spend the night without the housemaster's permission. Girls may visit dormitory common rooms at designated times, but they may not visit boys' rooms without the housemaster's permission.

Radios, phonographs, tape recorders, musical instruments and television sets should be

played in dormitories in such a way as not to disturb others, whether during study hours or not. The school provides facilities outside the dormitories for those who wish to play musical instruments. Televisions sets are not allowed in student rooms without permission of the Dean of Students.

e. Dress and Appearance

The Academy insists upon neatness, cleanliness, and the avoidance of extremes. The Headmaster is the final arbiter in interpreting these standards.

Expected dress for church and for school entertainments (except Saturday night movies) consists of suitable coat, tie, shirt, trousers, socks and shoes.

Minimum dress, both on and off-campus, consists of shirt, trousers, socks and suitable footwear.

f. Abbot-P.A. Regulations Pertaining to Joint Activities and Visiting.

Students are expected to conduct themselves honorably and with decorum at all times, to observe carefully the regulations and procedures of the two schools, and to take responsibility for their actions whether or not these are specifically covered by the rules. Couples should take care to conduct themselves with good taste and restraint on both campuses and in the Town of Andover.

Abbot students are welcome on the P.A. campus, and P.A. students on the Abbot campus, according to the following provisions:

- for classes in which they are officially enrolled or in which they are given permission to participate.
- for such meals as may be arranged by the two administrations.
- for authorized extracurricular activities, under supervision.
- for visits with Faculty members, upon invitation.
- for informal visiting Monday through Friday, 2:30-4:15 p.m., 6:30-7:45 p.m. Saturday, 12:00-11:15 p.m.* Sunday, 12:00-8:00 p.m.

*after 8 p.m., for movies and other scheduled group activities, until 20 minutes after the conclusion.

Visits to dormitories and other facilities such as 4 Morton Street or the Underwood Room must follow carefully the guidelines and hours that have been established by those in charge.

Provision should be made for the safe return of girls from all coeducational activities extending beyond 8:00 p.m.

g. Excuses to Leave School Limits

The Excusing Officer will publish each year the details of the excusing procedure. All excuses are subject to the approval of the housemaster.

The first two weekends of the Fall Term (Sept. 19-20 and 26-27) are closed for overnight excuses.

Seniors are allowed one out-of-town excuse per week, but overnight excuses may not exceed five per term. In the Winter and Spring Terms, a Senior in good standing and with no failing grades may take one extended weekend as part of his quota. He may leave school after his last scheduled appointment before lunch on Friday, returning Sunday night.

Middlers are allowed one out-of-town excuse per week, but overnight excuses may not exceed four per term.

Juniors are allowed a limited number of out-of-town excuses, as determined by the Chairman of the Junior Cluster.

h. Motor Vehicles and Bicycles

Boarding students may not keep motor vehicles in or near Andover. They may not ride in a motor vehicle within the school limits unless the driver is a member of their family, a Faculty member, the wife of a Faculty member, or another person authorized by the Excusing Officer or the student's housemaster.

No boarding student except proctors may use bicycles without special permission of the Dean of Students' Office.

Day students who have the permission of the Dean of Students' Office may ride bi-

cycles or drive cars to and from school. They must park their cars only in areas authorized by him.

C. Punishments

The assessment of a student's misconduct will take into account his age, experience, scholastic and disciplinary record, special circumstances, and above all the welfare of the individual and the community.

1. Dismissal: a student may be dismissed if he shows that he is unwilling or unable to conform to the rules of the Academy, if he is guilty of a major offense, or if he fails to meet the terms of Probation.
2. Probation: instead of being dismissed, a student may be placed on Probation, usually for a period of ten weeks, during which he has an opportunity to justify his place in the school by his attitude and behavior in all areas. Probation is usually accompanied by two weeks of Restriction. At the end of the Probationary period, the student is either removed from Probation or dismissed from school. A senior placed on Probation during the Spring Term may have his diploma withheld at the discretion of the Headmaster, and may be required to leave school prior to Commencement. Probations which end after May 1 are automatically extended until the end of the school year; Probations which continue into the following academic year are automatically reviewed in June.

3. Censure: for offenses not warranting Probation, an official expression of disapproval may be imposed by the Discipline Committee. Censure is usually accompanied by two weeks of Restriction and becomes a matter of permanent record.
4. Restriction: for offenses not warranting Censure. A student on Restriction is expected to meet all his obligations to the teams or extra-curricular groups he belongs to. He may not, however, attend any form of entertainment sponsored by such a group, participate in any informal musical group, enjoy school hobby activities, or be away from school purely for recreation. Restriction usually lasts for two weeks. Except as noted above, a student on Restriction:
 - a. May not leave campus.
 - b. Must be in his own room after 8:00 p.m. every evening except Saturday, when he must still remain in his own dormitory after 8:00 p.m.
 - c. If on Restriction for overcutting, may take no further cuts during the period of Restriction.
 - d. May be censured or placed on Probation if he violates the terms of Restriction.

For subsequent misconduct warranting Restriction, a student may be given longer peri-

ods of Restriction, censured, or placed on Probation.

5. Demerits: demerits may be assigned for minor infractions; an accumulation of demerits may result in action by the disciplinary authority.

GENERAL INFORMATION

WORK PROGRAM

All students are asked to assist in the operation of the school through a Work Program. In this program, members of the Senior Class will assume proctorial and supervisory functions. Members of the two middle classes will be assigned to jobs in the Commons as well as to other necessary jobs in school offices, library, gymnasium and so forth. Juniors will have no regular tasks to start with, but will be asked to assist in certain special duties that come up from time to time. The Work Program is directed by Mr. Alanson P. Stevens, III, who makes the various assignments. Specific questions concerning the program should be directed to him during stated office hours.

As previously mentioned, attendance at Work Program assignments, including Commons Duty, is a required appointment which must be met by all boys so assigned and unexcused absences will render a boy liable to prompt disciplinary action.

THE BLUE KEY

The Blue Key, organized in 1954, is a group of some fifty Seniors whose function it is to welcome new boys and visitors to the campus. These Seniors serve as advisors to new boys in all four classes, primarily to help them feel at home at Andover and settle into their new life easily. They are responsible for conducting tours of the campus for visitors to the Admissions Office and for welcoming other guests on occasion.

COUNSELORS

The various Faculty housemasters are counselors for the boys in their dormitories, as are certain other members of the Faculty who serve in this capacity for day students. Counselors are charged with looking out for the best interests of all boys in their care; housemasters and boys who live in one of the six dormitory clusters have the additional resource of the Cluster Chairman for advice and counsel.

Boys who have questions or problems are urged to take them to their housemaster, for discussion that can be on a confidential basis. This principle is as valid during the latter part of the school year as it is during the opening days.

CLASS OFFICERS

The program of studies of each boy is in charge of a member of the Faculty known as his Class Officer. Changes in program can be made only in consultation with him. The Class Officers are as follows:

Seniors: A-K=Mr. Whitney, L-Z=Mr. McClement

Uppers: A-K=Mr. Krumpe, L-Z=Mr. Markey

Lowers: A-F=Mr. Buehner, G-O=Mr. Lane,
P-Z=Mr. Drake

Juniors:

Juniors in Williams Hall, Junior House and Stott Cottage have Mr. Allen as their Class Officer. The other Juniors are distributed as follows:

A-K=Mr. Royce, L-Z=Mr. Lyons

CLASSIFICATION

A student is classified as *Junior*, *Lower Middler*, *Upper Middler*, or *Senior* according to his academic credits and not according to the number of years he has been in school or the class to which he belonged the preceding year.

SENIOR PROJECTS

To provide opportunity for pursuing intellectual and creative interests beyond the scope of regular courses, the Faculty Committee on Independent Work is empowered to permit Seniors to substitute independent projects for some portion of the course work normally required, or occasionally for a term of athletics when a program of required courses prevents the substitution of a project for course work. Opportunities, which vary according to the extent to which a student has fulfilled diploma requirements, range from a project in place of a course in any or all terms to the substitution during either the winter or spring terms of an extensive project carried on during a term away from school or while a student remains at school to carry one or more necessary courses. Application procedures for year-long or fall term projects are announced in the Spring term of the Upper Middle year; for shorter projects, at about the middle of the preceding term.

GROUP ACTIVITIES PROGRAM

All Seniors and Upper Middlers who have had a previous year of athletics at Andover may substitute an alternative group activity for one term

of athletics during the year. Activities, led by faculty members who wish to share special interests with students, have included conservation projects, a drama workshop, sailing, tutoring of immigrant children, bicycling, and projects in the visual arts.

PRIZES

Prizes are awarded each year, mainly during and at the end of the Spring Term, for proficiency in individual academic subjects, and various awards are made in the field of athletics. In addition, there are a small number of special honors accorded for character, leadership, and contribution to the school community. Most such awards are made on the recommendation of the Faculty Committee on Prizes and Awards.

THE CUM LAUDE SOCIETY

Corresponding to the Phi Beta Kappa Society in colleges is the preparatory school organization known as the Cum Laude Society. Its aim is to bestow recognition of high scholarship and sound character throughout the secondary schools of the country. The Society was founded at the Tome School in 1906, and has gradually been enlarged until now there are 153 active chapters, including that at Phillips Academy. By ruling of the National Society no more than 20% of any graduating class may be elected to the Cum Laude Society. Accordingly, the Andover Chapter elects 10% in February and 10% at Commencement. Formal initiations for both groups take place at the Commencement Exercises.

RELIGIOUS SERVICES FOR PHILLIPS ACADEMY

On Wednesday mornings at 10:40 a.m. a brief, voluntary, interdenominational service is held in the Chapel, to which all members of the community are invited. These services are under the direction of the Religion Department, but students and other faculty share in the planning and leadership.

As all boarding students must sign up to attend regularly a service of worship on Sundays, the Religion Department provides or arranges for a variety of worship options to meet at least some of the needs or preferences of a diverse student body. An interdenominational Protestant service is held in The Cochran Chapel at 11:00 a.m. (5:00 p.m. during January and February). Guest speakers sometimes participate in these services. A priest celebrates Masses for Roman Catholic students Sundays at 9:00 a.m. and 10:00 a.m. in the Sylvia Pratt Kemper Chapel. Jewish services are held in the Kemper Chapel Sunday mornings at 11:00 a.m. under the leadership of a rabbi for students of the Jewish faith. A service of largely silent meditation is held in the Kemper Chapel Sundays at 12:15 p.m.

Some students elect to attend regularly one or another of the churches in Andover, such as Christ Episcopal Church, The Christian Science Church, Free Congregational Church, Faith Lutheran Church, The Unitarian-Universalist Church, and the Mormon Church in Georgetown.

The Reverend James R. Whyte is the School Minister, The Reverend Frederic A. Pease, Jr.

is the Associate School Minister. Their associates are Mr. Timothy C. Callard and Mr. Grant Mallett. A Chapel Council, composed of interested students and faculty, participates as deacons and ushers, meets regularly with the School Minister, and otherwise assists in the religious program.

THE LIBRARY

The Oliver Wendell Holmes Library was built in 1929; the James S. Copley Wing, for the use of students in American History, was added in 1960. The Library contains over 87,000 volumes and currently receives 200 newspapers and periodicals.

The use of the Library is free to all students of the Academy, no card being required as is customary in public libraries. Each regulation of the Library is intended to insure for all the school community the same privileges and pleasures of using the Library. Practically all books circulate, but bound volumes of periodicals, the books in the browsing collection in the Freeman Room (right as you enter), the reference books in the Garver Room (left as you enter), and books in the Copley Wing are to be used only in the building.

The stacks are open to the students, who may go in and locate their own books. The librarians are glad to help anyone find material in books or articles in magazines and should be consulted freely.

The record listening room is located in the basement of the Library. It is open during announced hours for free listening to fine recordings. Records from the collection may be borrowed for use in students' rooms.

The Library is open daily from 8 a.m. until 9:30 p.m. On Saturday the Library closes at 6 p.m., and on Sunday it does not open until 2:30 p.m. The Copley Wing will be open additional hours.

BOOKS ABOUT ANDOVER

In order to understand Andover life and tradition as fully as possible, a student should read the various books and pamphlets which have been written about the Academy. Prominent among these are *Independent Schoolmaster*, *An Old New England School*, *Men of Andover*, all by former Headmaster Claude M. Fuess, *In My Time*, *A Medley of Andover Reminiscences*, edited by Dr. Fuess, and *Men of the Old School* by Mr. Scott H. Paradise. Chapters on Andover may be found in other volumes, which can be had on inquiry from one of the librarians.

THE ART GALLERY

The Addison Gallery of American Art was established in 1931 in order that the students of Phillips Academy might become acquainted with the objects of art and craftsmanship of their own country. The gallery has a high rank among the smaller museums in the country, with a well-equipped building providing space for extensive loan exhibitions in addition to the permanent collections. These loan exhibitions vary widely in subject and period, and include foreign as well as native art.

The gallery is open the year round and free to the general public, as well as to the student body. Members of the staff are in attendance to give any information or assistance which may be desired. The regular hours are: Monday — Saturday, 9:00 a.m. to 5:00 p.m.; Sunday, 2:30 p.m. to 5:00 p.m.

TREASURER'S OFFICE

The Treasurer's Office maintains facilities for banking of students' personal money, with a separate account being kept for each boy. *Students should not keep large amounts of cash in their possession or in their rooms.* The Treasurer's Office is open for student banking from 8:30 A.M. to 12:00 NOON, Monday through Friday.

LOAN LIBRARY

For the benefit of scholarship boys the school maintains a Loan Library in the basement of Morse Hall. This consists of a collection of text books for the special use of boys on the scholarship list and, so far as they can be accommodated, other students as well. The books may be kept for the duration of the course. It is expected that they will be returned in good condition. Mutilated books or unreturned books must be paid for by the boy borrowing them. In each case the boy must return the identical book which he borrows; otherwise he will be charged as if the book had been lost.

Boys on the scholarship list should obtain permits from Mr. Dalton H. McBee, Director of Financial Aid, as soon as they arrive at school; others from the Treasurer's office.

LOST AND FOUND

The Loan Library maintains a Lost and Found Department, where all students may, for a small fee, retrieve books and articles of clothing that have been picked up in school buildings. The Loan Library and the Lost and Found Department are under direction of Mr. William J. Buehner.

BUSINESS OPPORTUNITIES

Boys wanting part-time, occasional work for pay should register at the Dean of Students' Office.

No boy may act as an agent for any business without the express permission of the Dean of Students. The presence of any salesman on campus except the company agents of Rutter's Laundry, Purity Cleansers, Clean-Craft, and the Andover Shop should be reported at once to the Dean of Students. Questions about the services of those companies should be addressed to their agents.

SUBSCRIPTION SERVICE

The Phillips Academy Subscription Service, owned and managed wholly by students under the direction of Andrew P. Bridges, offers student rates for dormitory delivery of Boston papers and for magazine subscriptions.

SCHOOL POST OFFICE

The school maintains its own post office, located in the basement of George Washington Hall, which serves as a distribution center for all incoming mail and for school notices to individual boys. Each boy, boarding student and day student alike, should personally check his own mail box once every twenty-four hours, as he will be held responsible for responding promptly to any notices placed in his box.

DAILY BULLETIN

A Daily Bulletin, which carries official and activities notices, is published every weekday by the office of the Dean of Students. It is posted on all public bulletin boards each day by 11:30 A.M. After 1:30 P.M. every boy is held completely responsible for responding to any notices which may concern him in the Daily Bulletin.

OFFICIAL NOTICES

Every boy is held responsible for responding to any official notice sent to him, whether it be placed in his mail box or sent to him at his classroom or dormitory.

CIVIL DEFENSE

In the event of a national emergency the facilities of Phillips Academy would be utilized in the general Civil Defense program. The school is equipped to house several hundred evacuees and to feed several thousand meals a day. Should the situation ever demand it, each member of the Faculty and student body would be expected to do his part in the school's Civil Defense program which has been carefully worked out.

THE STUDENT HEALTH SERVICE

Medical care of students' injuries and illnesses is given at the Isham Infirmary-Hospital, a small, modern, well-equipped hospital. Isham Hospital is open at all times, both day and night. Students are welcome at all times, but except in the case

of emergency they should not come to Isham Hospital during a classroom period. Students with minor ailments should try to come during a free period at the following hours:

| | |
|-----------|-------------------------|
| Week days | 8:00 a.m. to 6:00 p.m. |
| Sundays | 9:00 a.m. to 10:30 a.m. |

Facilities for dental care are available at Isham Hospital and its physicians are willing and able to give good advice should the services of other specialists be desirable. All out-of-town appointments for dental care or with various medical or surgical specialists must be made through the Student Health Service.

Appointments to see the Medical Director may be made through Isham Infirmary-Hospital. The Medical Director urges that no student take any medication except as prescribed by a physician, and hopes that all students will consult him early about any illness, injury, emotional difficulty or cause of undue worry which they may develop. All students should be encouraged to seek medical advice without hesitation.

In order to prevent the spread of communicable disease, visiting of patients by students is not allowed except by specific permission. Patients must adhere to Isham Hospital rules, which were established in the best interests of all. Copies of these rules are posted throughout Isham Hospital.

PHYSICAL EDUCATION AND ATHLETICS

The Department of Physical Education and Athletics offers three kinds of activity: interscholastic athletics (Varsity and J. V. sports), intramural athletics (Club sports), and the physical education program. Participation in the athletic program is compulsory. Excuses from athletics will be granted only for medical reasons.

INTERSCHOLASTIC ATHLETICS

The varsity and J. V. sports program provides competition with other institutions. Schedules are arranged with college freshmen and independent and public school teams of a comparable strength and size.

INTRAMURAL ATHLETICS

All students who are not members of a varsity or J. V. athletic squad take part in the intramural athletic program. The entire student body is divided into four traditional club units: Romans, Saxons, Greeks, and Gauls. Students retain their club affiliations throughout their entire schooling at Andover.

A program of seasonal sports is administered by the Department of Physical Education and Athletics with the assistance of the student Athletic Association. In addition, winning teams in their respective intramural leagues may compete, on a regularly scheduled basis, with teams of comparable ability from neighboring schools.

PHYSICAL EDUCATION

The physical education program attempts to meet the needs of students by the testing and the development of individual physical aptitude in the areas of track, swimming and gymnastics. New students must take the Physical Aptitude Test in the fall.

Members of the Junior Class are normally assigned to physical education classes two mornings a week throughout the entire year. This special requirement does not excuse a boy from participation in his regular, afternoon athletic program.

ANDOVER ATHLETIC ASSOCIATION

The Andover Athletic Association is a student-Faculty group composed of the captains and managers of varsity teams, the presidents of the four athletic clubs, the Undergraduate Chairman, the Undergraduate Secretary, and the Director of Athletics. Among other powers, the Athletic Association adopts and enforces regulations for the award and wearing of athletic insignia.

ANDOVER AWARDS SYSTEM

| Name | Award | Height | Awarded To |
|----------------|-------|--------|---|
| Varsity A | A | 7" | Members of varsity teams. |
| Triple A | AAA | 5" | Those members of varsity teams who do not receive their varsity letter, members of J.V. teams and all-club teams. |
| Class Numerals | 19— | 3" | Members of winning club teams at the intramural level. |

A Varsity A may be awarded to the manager of a varsity team at the end of the season if he has satisfactorily discharged his duties.

Normally, all awards will be made by the coaches, captains and managers of the respective teams. All awards, however, are discretionary with the coach at all levels of competition; there are no automatic awards in the Andover athletic system. Awards are effective only after approval by the Athletic Association.

REGULATIONS FOR WEARING INSIGNIA

Andover athletic insignia may be worn only on blue or white long-sleeved, pull-over sweaters. No more than one insigne or device may be worn on an Andover award sweater, with the exception of P.A. Police and Open Door arm bands. All insignia are to be centered in the horizontal plane on the front of the sweater and must be in accordance with the specifications listed in Section N of the *Awards System*. It is recommended that all insignia be worn on the front of the sweater.

NOMINATION AND SELECTION OF MANAGERS

Each term, immediately after the mid-point of each term, the Director of Athletics will issue a call for candidates for the managerships of all sports that will be carried on in the following term.

At the completion of a managerial competition, the Director of Athletics, the head coach, captain, and manager may appoint the outstanding competitor as manager for the next year. If no one competitor is clearly outstanding, all competitors who have performed their duties satisfactorily may be nominated for election by the Varsity A winners.

There are normally sixty-seven positions open to managerial candidates distributed as follows:

| | | |
|----------------|--------------|---------------|
| Basketball (6) | Lacrosse (6) | Tennis (4) |
| Baseball (10) | Soccer (10) | Track (5) |
| Football (12) | Swimming (4) | Wrestling (4) |
| Hockey (6) | | |

Varsity managers for the above sports are selected on a competitive basis, one per sport. Varsity managers are also selected for cross country, golf, rowing, skiing and squash, while several positions as managers of junior varsity teams are likewise open each year.

P. A. POLICE ————— OPEN DOOR

It is the duty of the P. A. Police to maintain order at athletic contests and to make themselves generally useful.

It is the duty of the Open Door to work in close cooperation with the athletic department in welcoming all visiting teams.

THE PRESS CLUB

The Press Club was established in September of 1954. Membership in the organization is open to any boy interested in newspaper work from an athletic standpoint. Operating directly under the auspices of the athletic department, its primary function is to insure adequate coverage of Phillips Academy sports events throughout the year.

STUDENT-FACULTY COOPERATIVE

Organized in the Fall of 1968, The Student-Faculty Cooperative exists as a forum within which all members of the school community can discuss common problems and ideas and, if they wish, make proposals to the Faculty for action. Membership is open to all students, Faculty members, alumni, and trustees, who may attend meetings, speak, and vote on issues which are raised. In its operation, the Coop incorporates a form of direct democracy not unlike that of the New England town meeting.

The Cooperative is based on the following principles:

1. Students should have some say in the affairs that affect their lives.
2. All members of the school community should have, on a regular basis, an opportunity to discuss together topics of mutual concern.
3. Formal and overly complex political organization and process can and should be avoided in a community as closely united in purpose as Phillips Academy.

The Cooperative is not a legislative body. It is an opinion-forming and idea-originating body, and a place for exchanging these opinions and ideas. It functions not only in general meetings, but in small-group sessions and in committees which investigate specific problems.

COMMITTEES

Students participate with Faculty in the work of a good many committees, both standing and *ad hoc*, which play a major role in the operation of the school. The Student Discipline Advisory Committee advises the Faculty Discipline Committee on general questions of discipline as well as on individual cases. Students also assist in the work of the Abbot Coordination, Admissions, Commencement, Commons, and Social Functions Committees, to name but a few.

ORGANIZATIONS

THE PHILOMATHEAN SOCIETY

The Philomathean Society is the school club devoted to discussion and debate. Membership is open to all who are interested in any form of public speaking or the discussion of ideas. Visitors are welcome at most meetings, which usually consist of brief two- or four-man debates followed by question periods and open discussion. Questions of national, international, and school policy are debated in accordance with preferences expressed by the student body.

During the Fall term, special classes in debating technique may be held for the benefit of novices. At the end of the year, prizes are given for the best debating. Participation in the weekly debates is on a purely voluntary basis, and members are free to debate as much or as little as they wish. In recent years, Philo training has been almost a prerequisite for membership on the Varsity Debating Team, as well as for participation in the

Robinson Prize Debate, which affords a prize of \$75 to the winning team. Members of Philo play a prominent part in various inter-school or college conferences on current problems and have engaged in several round-table discussions on the Phillips Academy radio station.

THE COMMUNITY SERVICE PROGRAM

The **Community Service Program** provides opportunities for service off campus in the Andover community and in the predominantly urban areas of Lawrence, Lowell, and Boston. Its aim is to try to respond to human need in a variety of ways, broadening the outlook of students by stimulating in them a greater awareness of social problems and tasks that need doing and by giving them opportunities for practical application of religious and humanitarian principles in serving others. Any student may volunteer for a term at a time to give up a portion of his free time to such activities as working in one of three nearby hospitals, assisting in various recreation programs, working in a low-cost housing rehabilitation program, or tutoring in one of several programs for educationally disadvantaged students.

AFRO-AMERICAN SOCIETY

Founded in the Fall of 1967, the Afro-American Society exists to serve the needs of the Black student at Andover and to increase communications between Black students and White. The Society operates a Black Cultural Center, which includes a library of Black history and literature, and which serves as a headquarters for its many activities: orientation, tutoring, and general assistance

for new Black students, and lectures, seminars and panel discussions, open to all students.

THE DRAMATIC SOCIETY

The Dramatic Society is an organization for all students interested in acting, directing, stage design, scenery construction, lighting, and business managing. The major production each year is a Shakespeare play, or its equivalent, but where the schedule permits, modern plays, both straight and musical, are presented. (See Musical Clubs.)

A very active branch of the Society is the Drama Workshop which produces short plays in the Drama Lab under student directors. The Workshop is most fortunate in having active cooperation for its productions from Abbot Academy and Andover High School. The organization operates under the guidance of a Faculty advisor, a president, and a business manager. Special boys are selected to operate the lighting facilities.

When the spirit moves, foreign plays are given under the auspices of the heads of the language departments.

One of the most important groups within the Society is the Stage Crew. Carpenters, painters, shifters, electricians, and special effect men work together under a Faculty advisor, a student stage manager, and a chief electrician. Their job is to build the sets and operate the staging for all the plays. A student may join the Stage Crew for one, two, or three terms. Younger boys are encouraged to try out for the Stage Crew.

THE MUSICAL CLUBS

The three major musical organizations at Andover are the Chorus, the Marching and Concert Band, and the Orchestra. In addition to these there are numerous informal small ensembles.

The Chorus includes both the Chapel Choir and those who participate in the lighter musical programs offered at the several concert-dances at various girls' schools. The Chapel Choir makes an important contribution to the school's services of worship through the anthems offered each Sunday, and through leadership of the congregational singing. The concert schedule of the Chorus usually includes several concert-dances, and other concerts, and the performance of at least one major choral work each year. In addition the Chorus presents a musical comedy each year in collaboration with a nearby girls' school.

The Andover Marching Band has a season which consists of six football games in the Fall term. A highlight of the season is a free trip to Exeter for at least one of the major athletic contests. The group numbers about 65 and has presented many noteworthy performances on the football field. With the close of the football season the Marching Band is converted into a concert unit. It presents at least three concerts for the Andover student body and usually has two or three away trips for joint concerts with girls' schools, and a joint symphonic band concert with Deerfield Academy.

The Phillips Academy Orchestra is a group of concert proportions. After the strength of the string section is determined, the best brass and woodwinds in the school are invited to join in

numbers that will produce good balance. The Orchestra has an active year with concerts at Andover and before outside organizations. It accompanies the Chorus on some of its trips and is occasionally used in the Chapel for the presentation of more ambitious religious works. High points in the orchestral concert season are participating in the New England Independent School Orchestra Festival and contributing greatly to the success of the annual musical comedy. String players from Abbot Academy rehearse and perform with the group regularly.

THE BROADCAST ASSOCIATION

The student broadcast station (WPAA), with studios in the basement of Evans Hall, broadcasts music, talks, panel discussions, news of campus activities, and other material of interest to the school community. A licensed FM broadcasting station, it provides students with an opportunity to learn about the equipment used in broadcasting and about the problems of programing.

THE GROUP TRIPS COMMITTEE

This organization is in charge of trips to cultural events in and around Greater Boston for groups of students, usually on Saturday or Sunday.

ACTIVITIES CLUBS

A typical year at Andover sees a large variety of activities groups, many organized as clubs, operating under the guidance of members of the Faculty. Among these are the French Club (Cercle Francais), the German Club, the Russian Club, and the Spanish Club; the Latin Players; the Rifle

Club, which maintains the Rifle Range in the basement of Pearson Hall and which has a schedule of matches with other schools; the Outing Club, sponsor of weekend trips to the mountains and beaches; the Sailing Club, which competes with other schools; the Radio Club, with facilities in Evans Hall; the Astronomy Club, which has a refracting telescope in Evans Hall; the Mineral Club; the Natural History Club; the Pre-Medical Society which, through lectures, films, and occasional field trips, introduces its members to some of the many facets of medicine; the Science Experimenters Club, which holds group meetings and promotes various independent projects in Evans Hall; the Model Airplane Club, which has a club-room equipped with suitable table space in the basement of Evans Hall; the Camera Club, with a dark-room in the Audio-Visual Center; the Chess Club and the Design Club, both of which have become increasingly active in recent years; the Stamp Club, which holds frequent meetings and sponsors exhibits of its work.

One of the more active organizations, with a fast growing membership, is the Asia Society, organized in 1958. Its purpose has been to show movies, sponsor discussions, and arrange assemblies in order to make the school more fully aware of the people and problems of Asia.

Another active organization is the Contemporary Literature Club, which includes girls from Abbot Academy. Last year it held six dinner and discussion meetings.

Another new organization, dating from the Spring of 1968, is the Andover Student Political

Union. The Union is composed of political parties complete with party leaders, whips, and caucuses where the topics for the weekly debate, usually political and presented in the form of a bill, are chosen.

In the less formal area of music, Andover students have a number of musical groups which give concerts and perform at school dances. Among the singing groups, the best known and most successful is the 8 'n 1.

Students interested in joining any of these groups should watch the Daily Bulletin for announcements of meetings.

PUBLICATIONS

There are three major publications in the school. Competitions are open in some cases to all members of the school except Juniors, in others to members of designated classes. The experience gained in these competitions, whether the candidate is successful or not, is worth the effort, and the prestige of executive positions on the boards is well worth trying for. Elections in all cases depend on the merit of the competitors.

THE PHILLIPIAN

The Phillipian, established in 1857 is the official newspaper of the Academy and is published every Wednesday of the school year.

Its staff is divided into two boards: the Editorial Board, which takes charge of the purely editorial phase of the publication, and the Business Board, which has charge of subscriptions, circulation, and advertisements. Positions on either board are obtained by competition. The work done in the competition for the Editorial Board is reporting, together with certain assigned tasks. The type of work in the business competitions consists of obtaining advertisements and subscriptions, and in taking charge of the mailing lists. There are three competitions during the year for both the editorial and business boards of the paper, each competition lasting for one term.

The Phillipian offers excellent opportunities for students who show aptitude either for business or for writing, and broadens the scope of one's school life in the many contacts formed during the

period of competition. Many undergraduates interested in journalism and good writing find it a very satisfactory sort of activity.

THE MIRROR

The *Mirror*, founded in 1854, is the undergraduate magazine, which appears in the Winter and Spring terms, following the period of organization in the Fall. Positions on the literary, business, and art boards offer the profitable and interesting experience that goes with the publication of a magazine; and executive work on the *Mirror* provides significant training in management and leadership.

The *Mirror* is a full-scale business operation as well as a medium for literary expression. The problems of editing, publishing, circulating, and paying for a magazine with an annual budget of approximately fifteen hundred dollars afford valuable training and opportunities for those who desire to develop their literary, business, and social skills.

Competitions for the business and literary boards are held each term. Lower classmen are particularly welcome.

THE POT POURRI

The *Pot Pourri* is the Academy year book, published at the end of each year. It contains pictures and personal information concerning all Seniors and group pictures of all school organizations. In addition there are many special features, varying from year to year—cartoons, candid camera shots, special articles, and Senior polls on Faculty, classmates, and other vital matters of school life.

There are three boards — Editorial, Business, and Art, which offer excellent opportunities for the development of literary, business, or artistic talent respectively. Work done for the *Pot Pourri* has a peculiar and abiding importance, for the book is the chief permanent record to which alumni turn in later years for reminiscences of their days at Andover.

OTHER

Two new publications first appeared in 1968-69. *Blue* is a photography magazine, to be published once a term. It will attempt to cover visually the many and varied aspects of the Andover scene. *Prep School Sports* will preview the Fall athletic season at Andover and other independent schools in the area.

SCHOOL SONGS

PHILLIPS HYMN

Sons of Phillips, rise to praise
Stalwart souls of other days,
Who with faith and courage came
To build the school that bears their name,
And on her Constitution's page
Wrote our ancient heritage.

Sons of Phillips, on our Hill
May we love, and cherish still,
Other men who, from her gate,
Wandered forth, the good and great,
To spread her teachings in the land
Working what the Founders planned.

Sons of Phillips, old and young,
Sing her praise on ev'ry tongue,
Home of beauty, vigor, truth,
Fostered in the heart of youth,
And give yourselves, that she may be
Strong for all Eternity.

ROYAL BLUE

Andover's legions her ancient foe defy,
Over the hilltop a war song is ringing.
Shoulder to shoulder we back the fighting crew.
Hail to the Royal Blue!

(Refrain)

Let's go! The team is on the way,
Over the field there's a blue wave rolling.
That broken line of Red and Gray
Once more we're backward bowling.
Send our battle cry afar
As the Andover charge goes through,
And cheer for the glorious standard
Victorious Royal Blue.
PH-IL-LI--PS,
ANDOVER, ANDOVER,
Onward to the goal.

(Repeat refrain) Let's go, etc.
